

DISABILITY LAW – FALL 2009

PROF. RANKO SHIRAKI OLIVER

ASSIGNMENT FOR AUGUST 25 AND 27, 2009

As background and as an introduction to the course and subject matter, please read Chapters 1 and 2 of our textbook, Laura Rothstein, *Disability Law: Cases, Materials, Problems* (4th ed LexisNexis 2006). I will highlight important cases and principles from these chapters during the first week of the semester, and throughout the semester as well. Please be prepared to participate in class.

The textbook and statutory supplement we will use this semester are the same books students used last year. Therefore, used books from last year's class may be available for you to purchase.

I look forward to working with all of you . If you have questions about this assignment, please contact me at (501)324-9944 or at rsoliver@ualr.edu after August 18, 2009.
